St Michael's Thursday Newsletter December 10 2015

Dear Parents,
Mrs. Melander is once again providing a delightful Christmas musical production, giving the children an opportunity to perform for their families. One of our favorite times of the year. The Middle School students under the direction of Mrs Blum are beginning a tradition of ending the evening with the Gospel Christmas story. The students are very busy practicing their singing and acting lines. It will be a wonderful evening for all.

Remember the Auction!

This Christmas, when you are shopping those great deals, or reconnecting with family and friends, keep the auction in mind! Do you have a connection to get tickets to a concert or event? Have a friend with an inside line on a great table at Canlis? Or does Aunt Thelma still think you're a ten year old and gift you with toys you can't use? Consider a re-gift to the auction! Procurement is as easy as asking the question. Many people and businesses are more than happy to donate, you just have to be brave and ask! Our school **procurement deadline is January 22nd!!**
