St Michael's Thursday Newsletter January 7, 2016

Dear Parents,

It is great to be back with the students! Hopefully the weather will be heading toward a warming streak!

Catholic School Week –January 31st-February 7th

Catholic School week is a time for Catholic Schools across the national to extend appreciation for support given to the schools – support from parents, parishioners, archdiocese, local community and staff. The theme for this year is, **Catholic Schools: Communities of Faith, Knowledge and Service**. During that week we are planning an “**Information Night**” for perspective families on **Tuesday evening, February 2nd at 7pm**. If you know of any families who might be interested, please let them know about the date. This evening has been a great time for staff and parents to share the story of our school to interested families.

Peace,
Karen Matthews
Principal
