April 14, 2016

Dear Parents,

Enclosed in today's packet is the Registration Intent Form for the 2016-2017 school years. Your timely response is important for the School Commission's preliminary budget planning for staffing and instructional materials for the 2016-2017 school years. **Note:** This year we again are not requiring a registration fee until families sign the tuition contract during the month of May.

Classroom configuration for the 2016-2017 School Year:

Some of you have inquired about classroom configuration for the coming school year. Once we know the enrollment projection we will plan classroom configurations based on those numbers for the coming year. A series of meetings both AM and PM will be scheduled to share the classroom configuration and staffing plans.

Peace,
Karen Matthews

FYI

The last day of school is **June 16th**. The school calendar is not showing it correctly. Please mark your calendars.

Gentle Reminder:

For the safety of our children, all parents and visitors need to sign in at the office.

This would include: dropping off lunches, early pick up and doctors appoint-

MEDICATIONS

If your child needs to take prescription or over the counter medications during school hours please come into the office to fill out the necessary paperwork.

Peace
be with
you
