St Michael's Thursday Newsletter May 5, 2016

Dear Parents,

The parish community at St. Michael Church places significant value on a Catholic Education. It is our intent that every family who wants to be a part of our Catholic School has the opportunity. In order to accomplish that goal school tuition is based on a family sliding scale according to family income. The average tuition rate for one child for the 2016-2017 school year will be \$5,423, a 3% increase to cover benefit and salary increases for the staff. For example, for one child the increase would be \$158 or \$15.80 a month for 10 months. Meetings will be scheduled with all of you during the month of May to discuss and finalize your tuition contract for the coming year. Suzi Dutro will be contacting you regarding a time.

Family Life Program

All the Catholic Schools in Seattle Archdiocese offer a Family program for grades 3-7 which is taught during our religion classes. Grades 3-5 parents are receiving a letter today, explaining the program. Grades 6 and 7 should have received their letter on Monday. The student and parent materials are available at the school office to review. The program will begin during May and last about 10 sessions.
