St Michael's
Thursday Newsletter
November 17th, 2016

Dear Parents,
Gentle reminder that tomorrow and Monday are the days to send in the food for the Thanksgiving Baskets. On Monday, November 21st, the students will be helping the St. Vincent DePaul members place the food in the baskets they decorated. Working with the St. Vincent de Paul local chapter is a favorite all school service project for the students.

Library update

We have been blest with a wonderful, hardworking parish volunteer, Loretta Wadner, who was a former school librarian. She is working on placing the library books and space into a more functional order. If any of you would like to volunteer in the library, please let us know either by email or phoning the school office.

Report Cards

The first trimester ends on Wednesday, November 23rd. The teachers will be busy compiling assessment information for the first trimester report card. Parents will receive the report cards on Friday, December 2nd.

Inclement Weather Reminder

The easiest means of communication for updated School Closure or Late Opening is our school website: www.smpschoool.org. On the homepage on the right hand side is located the school opening/closing status.

Peace,
Dr. Matthews

Uniform News corner

We appreciate any used uniform that you are able to donate to the school. We are in need of plaid skirts and jumpers.

Also:

Just to clear up any confusion. Girls that chose to wear leggings instead of tights, need to wear the same color socks as the leggings so they look like they are wearing tights.

Thank you for your cooperation!!

Scripps National Spelling Bee

Once again, our students will be competing in the Scripps National Spelling Bee! We will hold a school wide spelling bee in February, in the same format as last year, with grades 1-4 followed by a bee for grades 5-8. The winner of the 5-8 bee will then go on to represent St. Michael at the regional bee in Seattle! Study guides for each grade level may be found on our school website under Programs:Enrichment: Spelling Bee. Word lists have also been provided to all teachers for distribution, and will be posted on the parents club FB site as well.

Photo Sharing

We have created a photo repository site where all families are welcome to share their photographs from school field trips, projects, class parties, and candid moments. The photos shared on this site may be used to create the school yearbook at the end of the year. To contribute, please visit:
