Dear Parents,

Thank you for all your support in making Catholic School Week a fun and informative week for the students. It was wonderful seeing the student participate in the "Spirit Day" themes. Many creative ideas were noted! The parishioners also enjoyed seeing the children take part in the parish life. The best marketing tool for our school is our children. They were wonderful "tools" this week-end!

Our annual Information Night was a successful evening. The prospective families included some from the surrounding area parishes. Because it is a great way to give prospective parents an overview of the school and an introduction to the staff, we will continue the evening in the coming years.

Now is the time to reserve the date for our annual St. Michael School Auction, "St. Mike's Monopoly! Fundraiser Edition", March 4th. I am amazed at the energy and planning that goes into this important event. Many, many "Thanks" to the outstanding work of our Co-chairpersons, Niki Yarnot and Heather Guichard, along with their team. This fundraiser provides a much needed revenue for our school.

Peace,
 Karen Matthew. Principal
