St Michael's Thursday Newsletter November 19, 2015

November 19, 2015

Dear Parents,

Just a reminder that tomorrow evening, the 20th at 6pm the parish is hosting a Volunteer Appreciation Dinner in the Parish Hall at 6pm. This is a thank you to all parent volunteers who have been working so generously these past few months to help create a wonderful learning environment for the children. One of the greatest strengths of our Catholic Schools is our parent volunteer support. Your volunteer support is essential to the school—both financially and spiritually. Many of you have been helping in the classroom, driving on field trips, helping with parish activities such as the Turkey Dinner, helping with fundraising activities such as the annual garage sale and auction, coordinating after school activities, and helping by serving in leadership roles in the Parents Club and School Commission. We couldn't do it without all your support.

I hope you can make the Volunteer Dinner. Please RSVP to the school / parish office—**Babysitting is available!**

School Closure Procedures

We have discovered some miscommunications and glitches in the School Closure Procedures for St. Michael School, particularly with power outage. I am very sorry about the confusion created; however, with this information in mind, I will be updating the procedure to make it clearer for everyone.

Peace,
Dr. Matthews
