Dear Parents,

When the students return to school after the Christmas holiday, we usually spend time reviewing school guidelines and procedures that help support keeping the school climate positive, caring and safe. One area reviewed is the uniform guidelines. In particular, the uniform attire for our Friday Mass attendance. Many of the students come on Friday well prepared; however, the staff has noticed that some of the students are forgetting to wear their sweater, fleece jackets or ties. We do have some extra sweaters from the exchange uniform box, but this seems to be a crutch for some. Please remind your students regarding the special uniform attire for Friday Mass. If it would help, we can keep the ties in the classroom and distribute that morning if it would help. Just let us know.

In the near future, we are convening adhoc committee to review and update our uniform policy and procedures. If you interested, please contact Suzi Dutro at the school office.

Iowa Test

As mentioned in a previous newsletter, the Iowa standardized testing administered for grades 3-8 went very well. We did receive the building results but there was a glitch in providing a printed narration for parents. We finally have resolved that situation; consequently, next week you will receive your child's test results.

Peace,
Karen Matthews
Principal
