St Michael's
Monday Newsletter
January 17th, 2017

Dear Parents,
Last week grades 3-8th completed the winter testing, using the new online academic test, "Measurement of Academic Progress" (MAP). The second graders will complete the test by the end of next week. Make-up tests will also be completed by next week. The MAP is administered to measure progress and suggest academic goals for each student in the areas of Mathematics, Reading and Writing. We have been pleased with the efforts the students displayed. We were also grateful for the support we received from many volunteer parents who helped monitor the students as they used this new tool for testing. A special thanks to Mrs. Blum who was the Lead Proctor and administrator of the testing sessions. Kudos to all!

Enclosed in the Monday packet is a flyer describing the activities for Catholic School Week beginning on Monday, January 30th. Note: Due to The Super Bowl scheduled for February 5th—we have moved the Catholic School Week Parish Celebration to February 11th & 12th.

Peace,
Karen Matthews, Principal
