Dear Parents.

Enclosed in today's packet is the Registration Intent Form for the 2018-2019 school year. Your timely response is important for the School Commission's preliminary budget planning for staffing and instructional materials for the coming school year. Please return by Friday April 20th. **Note:** The registration fee is not required until families sign the tuition contract during the month of May.

Class configuration for the 2018-2019 school year:

At this time our goal is to continue the combination classrooms and keep Kindergarten by itself.

Staffing Information:

Mrs. Olson is retiring to join her husband who retired last year. We wish her the best of luck and are grateful for the time we had with her through the years. I've begun the interview process with qualified candidates for open staff positions.

All funds that are made will be used to pay our registration for the Steps to Respect program. If you have not turned in your order form there is still time! If you need a new one, or want to order more, you can pick up a new form in the front office. Every dollar counts! Thank you everyone for your support!
